Roman Anthony Torres

MAR 18, 1979 - AUG 22, 2023

On Tuesday, August 22, 2023, our hearts were forever changed as we said goodbye to a beloved husband, father, son, brother, and friend, Roman Anthony Torres of Houston, Texas. Roman's journey in this world began on March 18, 1979, and though his time with us was too short, his impact was immeasurable.

Roman was born to proud parents Anthony Torres and Erma Davila. From an early age, he exhibited a passion for life that would define his years. His infectious spirit and unwavering dedication to those he loved made him a source of inspiration to all fortunate enough to know him.

On November 3, 2007, Roman joined in matrimony with Adrianna Noyola, in their hometown of Houston, Texas. Professionally, Roman was a dedicated and skilled pressman. For 20 years, he lent his expertise to Southwest Printing, where his commitment to quality and precision left an indelible mark on his colleagues and the industry. His dedication extended beyond, as he spent an additional 10 years contributing his talents to AI Building & Mechanical Services, showcasing his versatility and work ethic.

Outside of his professional achievements, Roman had a zest for life that was truly infectious. His love for fishing was evident in the countless stories he shared of peaceful days spent by the water's edge. He was a master of the BBQ, delighting family and friends with his culinary creations. Roman's enthusiasm for life extended to his love of travel and his passion for attending sports events, where he could be seen cheering on his favorite teams with unmatched fervor.

Family was Roman's cornerstone, and his cherished moments were often spent surrounded by loved ones. His unwavering dedication to his family reflected his kind and selfless nature. He leaves behind a legacy of love and camaraderie that will continue to guide and inspire us.

Roman Anthony Torres leaves behind his loving wife Adrianna Luz Torres; daughter Vayda Luz Torres; sons Roman Anthony Torres II and Abel Anthony Torres; parents Anthony "Tony" Torres
