I remember all my long drives from Nacogdoches I'd stop in Livingston everytime without a doubt and have lunch with momo. We'd turn the short drive into a long well needed break just to catch up and for my favorite part hearing her memories from when she was younger. She'll always be in my heart I'm so grateful to have spent those times with you momo I love you

Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: "Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." —John 11:20-25.

From late nights giggling at grandmothers. Birthday cakes and lasagna. Baby's to grand babies. From heartbreak to a full heart. You've always been there. First cousins are like the best friend that you can go forever without talking and then get together and pick up without missing a beat. Amber will forever be missed especially by me ❤️ For all her family you are in my continued prayers. And to Amber. "kiss grandmother and Arlene on the cheek and save a seat at His feet for me -this is not goodbye~~only see you soon"—Love Nana
