Ross, Eugene

MAY 20, 1956 - OCT 19, 2024

Eugene Ross, age 68, passed away on October 19, 2024, in Wills Point, Texas. Born on May 20, 1956, in Houston, Texas where he raised his family and was a very well-known member of the community.

He is preceded in death by his wife Sherry Ross.

Eugene is survived by his loving wife, Tonya Ross; his children, Wesley and Dia Ross, Derek and Chrissy Ross, Stacy Ross and Branda Turner; his grandchildren, Kaitlyn Pleasant, Tanner Ross, Mackenzie Ross, Madison Ross, Ryan Ross, and Hazel Ross; three great-grandchildren, Peyton Pleasant, Greyson Pleasant, and Kane Pleasant; Mother-in-law, Sylvia Beck, Father-in-law, Dennis Berlin, and numerous family members and friends.

Eugene was a man of vibrant personality, known for his outgoing nature, fun-loving spirit, and his god given talent as a jokester. He was a native to the North Shore area of Houston and left an impact on the community through his countless hours volunteering his time coaching baseball, supporting the community and helping friends in any way possible. Baseball was a passion that he passed down to his kids and will continue for all generations that follow. He was a hardworking man, a loving husband, father, and grandfather. His life was a testament to his dedication to his family and his passions. He was an avid outdoorsman and enjoyed Deer hunting most of all, sharing many nights around the campfire with family and friends. In his younger years, he was a very talented race car driver and once won 25 straight races in one season, a record that may still hold to this day. All who knew him knew he held his friends closely and his family even closer. Let us remember Eugene for all the laughs he brought us and the good times we had.

Nolen Houck posted:

One of my first jobs when I turned 18 was a construction job. My uncle Dennis Wolfford was the Superintendent, my cousin Mark McCullough was one of our welders, Lynn was a helper like me, and Eugene was our foreman. They taught me how to be tough, to take a joke, and to work hard. Eugene once told me to go ask uncle Dennis for a pipe stretcher, and of course uncle Dennis played along with it and said to go tell Eugene that he loaned that to him last week and he better have it back by tomorrow or he would be fired. Boy did I fill stupid when I finally figured it out.. LMAO But Eugene always had a positive disposition about him that made you feel like no matter what, everything was going to be ok. He will be dearly missed by all that knew him. Prayers for the family and all of his friends.

Lowell Everitt lit a candle in honor of Eugene.

I am shocked to say the least. My heart goes out to Wes, Derek, and Stacy and family and cherish the many memories made with Eugene. He has been all of the following with me, All Star Manager, ball field groundskeeper, equipment manager, opposing coach, customer, employee, co-criticizer and complainer, but always the encourager, and a great friend for a very long time. So many hours together at some ballpark somewhere. Although life has no longer allowed us to be in touch as often as we once were i am really going to miss him, but the memories will remain.
