Julius 'Joe' Bennett Edwards

JAN 17, 1955 - OCT 25, 2024

Julius (Joe) Edwards passed at home due to an ongoing battle with lung cancer, COPD, Asbestos, and prostate cancer. He fought a long and hard and did his best to overcome his final battle.

My dad recently celebrated his 49th year in the Pipe Fitters Union "Local 211". He spent 33 years of his career working at NASA which he was very proud of and so were we! HE raised us to be hard workers and showed us by example, working until his body just couldn't keep up with his mindset. He graduated from North Shore Senior High class of 1974 and just recently attended his 50th reunion.

He married the love of his life Judith Gail Hendon on 10/29/1983 and together raised a daughter and 3 sons. He laid his bride to rest July 13, 2004 and has been waiting for the day to meet her again ever since! His kids have been the most important aspects of his life and he tried his best to make sure we knew it. With his final Facebook post just moments before he passed, he made sure to express his love for his kids and grandkids one final time. "Thaaaat's Right".

Julius is survived by his twin sister Judy and brother Kenneth. His 4 kids, Damien, Jonathan, Priscilla, and Skylar. Grandkids, Ayden, Lily, Dexter, Nevaeh, Delaney, and Willow. Daughters-in-law Melissa and Victoria. Including many nices and nephews. Each one of these individuals have played a very special role in the last years of his life caring for him, bringing him joy, and being there for when he needed a helping hand. Julius (Joe) Edwards was preceded in death by his father Willie Edwards, his mother Mabel Edwards, and his oldest brother Dennis Edwards.

I am so sorry for y'all's loss, he was loved by all and will never be forgotten. I will never forget Joe giving me a nickname when we were kids for having a koolaid mustache, it was "Wolf", I don't think he ever called me anything else after that day on! Seeing him this past year, and he still called me Wolf, brought back so many nostalgic memories. Here are a few of my favorites, the shaving cream fights in the front yard, riding bikes around the neighborhood just to get chased by dogs, to jumping on the trampoline all day, playing in the woods and the Halloween parties were my favorite. We always had so much fun every time we were at the Edward's house and Joe was a big part of that. At least he made sure we stayed inline as much as he could. He loved his wife and children & Grandchildren with everything he had and he was so proud of every single one of them. I love you Pappa Joe and I will hold all of my amazing memories with you and your family near to my heart. Tell my Dad and Judy hi for me and give them a big Wolf hug. I can't wait to see you all again one day. With all my love,Rebekah Hurry Gonzales

Love hearing these memories and how he left a mark on this world. I never heard him call you anything other than wolf myself, even when he was telling me about running into you somewhere or recalling a memory. Thank you for sharing!

Gisell B lit a candle in honor of Julius.

Sir, I remember the first day I met you at a cookout in relation to work, and you went on about loving banana pudding and the wafers, I just pray and hope you're at peace and enjoying some banana pudding with your wife. Thank you for the support, encouragement, love & laughter that you brought to our lives. - With love Gisell
