Richard Douglas Dorsey

MAR 21, 1968 - JAN 23, 2025

We gather with heavy hearts to celebrate the life of our dear Richard D Dorsey, who passed away on January 23rd, 2025, in Houston, Texas. Born on March 21st, 1968, in Liberty, Texas, to John and Laura Dorsey, Richard filled our lives with joy, laughter, and love.

Richard's zest for life was evident in his many passions. An outstanding athlete of track and field and football, he embraced the thrill of sports with boundless energy. His love for cooking filled homes with delicious aromas, and his knack for fishing led to countless stories by the water's edge. These interests were more than hobbies; they were ways Richard connected with friends and family, creating cherished memories that will last a lifetime.

His dedication extended beyond his personal passions into his professional life. Working in construction as a contractor laborer, Richard's hard work and commitment helped build not only structures but also the strong foundations of his community in Houston, Texas, where he later resided.

Family was the heart of Richard's world. He is survived by his loving mother, Laura Jones; his cherished daughter, Rolnesha Dixon; his sister, Elizabeth; his brothers, Anthony, Audie Ray, and John Jr.; and his eight treasured grandchildren Shamyra, Kaylon, Shamia, Shamil, Kel'nyre, Kel'niya, Kelcin, and Kelstin. Richard's joy radiated most brightly when surrounded by his family, and he took immense pride in each of them.

He was preceded in death by grandparents Mr. and Mrs. Simon and Henry and Doris Sias.

As we remember Richard, let us celebrate the joy he brought into our lives—the laughter, the warmth, and the love. His vibrant spirit and the happy memories we've shared will forever light our hearts.
