Janie Guerrero

JAN 2, 1961 - JAN 28, 2025

It is with a heavy heart that we announce the passing of our beloved Janie Guerrero, a cherished wife, mother, grandmother, and sister. Born January 2, 1961, in Rosenberg, Tx, Josefa and Rudy Agraz.

Janie married Rufino Guerrero on May 25, 1983, in Houston, Texas, and together they shared a life filled with love in Channelview, Texas. She was a wonderful mother who was always there when needed the most, offering support, wisdom, and love in abundance. She treasured every moment spent with her grandchildren; nothing brought her more joy than being surrounded by her family.

A passionate family woman, Janie loved spending time with her family, cooking, and hosting for family get togethers, she cooked with her heart and put love into everything she made. She enjoyed traveling, arts and crafts, all of her fur babies, Missy, Milo, Russel, and Chico; and caring for all of her grandchildren.

Janie Guerrero is survived by her husband, Rufino Guerrero. Her daughter, Corina and Julian Barrientez. Her son Javier and Regina Guerrero. Her sisters Rosemary Aleman, Isabell Aleman, Eloise Carrillo, and Crissy Flores. Her brothers Leo Aleman, Paul Russell, Rudy Agraz Jr., Jesse Agraz, Freddie Agraz, Larry Aleman, and Miguel Aleman. Her five grandchildren Sarah Guerrero, Jessica Guerrero, Grace Guerrero, Aiden Olvera, and Samuel Olvera. Parent Rudy Agraz Sr., proceeded in death by her mother Josefa Agraz.

Janie's love, laughter and radiant smile leaves a legacy of who she was to all that knew her. Her kindness, strength and generosity will be greatly missed and will forever live on in our hearts and cherished memories

Sweet Janie, How my heart will miss seeing, being and fellowshiping with you. Even in my worst moods your smiling face would bring a smile to mine. Though I will miss our breakfast get-togethers and your loving willingness to laugh at all my corny jokes, it brings my heart so much joy to know that you are in the loving hands of the Father now and in complete peace. Thank you for the blessing you brought to this earth. There will never be another like you and I will forever be grateful to God for allowing our paths to cross. Love you deeply, rest well in the Father's hands. "Well done, good and faithful servant. You have been faithful with a few things, I will put you in charge of many things. Come and share your master's happiness!" - Matthew 25:23

Oh how I miss talking to her. Our conversations were always good. The longer we took to call each other the more hours we would spend talking because we had to catch up on life. When I needed advice from a mother, she was there. She supported everything I put my heart to. We were going to do crafts together but I got busy. She was going to join PHP so we could be power couples together and travel together. We had so many things we were looking forward to doing once she got better. We were breakfast buddies, lunch buddies and would even go out to dinner. She has her slippers in my house because she visited often. She bought me my coffee machine. We've known each other for over 17 yrs. In our first years we would be together at her church office. We could talk for hours about ideas we had, things we each were going through, always talked about God. Some people thought we were gossiping but little did they know that we were being there for each other. We never ran out of things to say. She was also my best friend. Knew everything about me and I about her. Ministry would take place. My hubby, my children, Toulouse and I will miss her so much. I LOVE YOU SO MUCH JANIE. I DIDN'T WANT YOU TO LEAVE ME. I WASN'T PREPARED FOR THIS. HOW CAN I CRY TO YOU ABOUT YOU WHEN YOU'RE GONE?

My sweet sister, I don't even know how to begin to understand that you are no longer here with us! But I will always remember our conversation. You knew what to say to me when I didn't understand or I was confused. You have the most calm voice and the sweetest laugh I've ever known. And I will miss it dearly. Rejoice with our mama for me sister and give her a kiss on the cheek for me please. Love you always ☐

To my favorite person in the world nana. Nana I will always love you and miss you until I get to see you again and I loved the times we spend together to. Going to eat breakfast, sitting in the garage, walking, running errands together and spending time together I will always think of you. And we were talking about teaching me how to drive but now we can't do that and teach me and. You said you wanted to see me graduate in the stands but now you'll see me from somewhere else now and. You listened to me when no one was around and you will always make me smile and laugh and enjoyed being around you and I loved your taco days and when you cooked for me when we spent the night. You will always have a special place in my heart - Samuel Olvera

Janie, just looking at your picture makes it harder to accept that you are no longer with us. I just don't want to believe this. My heart is so broken. You were always easy to talk with and always made me feel welcomed. It's hard to talk about you in the past tense because it just doesn't feel real. You WILL be missed, my sweet friend. Rest In Peace.

Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: "Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." — John 11:20-25.

To my beautiful amazing Nana, I wish you didn't have to go but I will continue to love and miss you until I get to see you again one day. You are the best grandma anyone could ask for. You were always here to listen to me and never judged. I loved and will always remember our times we got to spend together doing arts and crafts since we shared that passion for it. It hurts that you never got to teach me to sew like we planned but I promise to learn just so when I see you again one day I can tell you all about it and all that I've done thanks to you. I will do my best to make you proud because I know you are watching over all of us from heaven, I love you always - Grace Guerrero

Our heart aches with you. I never met Ms. Janie face to face but through her daughter Corina she was like our extended mom. She was so caring with sharing her cooking talents with us. Making breakfast tacos and other dishes for to enjoy. I love her spiciness and the way she cared and shared. There are no good words to help ease your pain, but there are plenty of ways to tell you we are here for your through is all. From Ms. Lanell University of Houston. ❤️
