Milner, Sandra Jean

JUN 18, 1950 - MAR 16, 2025

Today, we celebrate the beautiful life of Sandra "Sandy" Jean Milner, a cherished soul who brought joy and warmth to everyone she met. Born on June 18, 1950, in Houston, Texas, Sandy spent her lifetime embracing her passions and sharing love with her family and friends.

For 22 years, Sandy dedicated herself as a supervisor and community manager for Principal Management Group. Her vibrant spirit and commitment left a lasting impact on colleagues and the community she served.

Sandy's creativity shone through her love of crochet and needlepoint, crafting pieces that will be treasured for years to come. She found joy in watching cooking shows, perhaps inspiring delightful moments in the kitchen. She loved spending time and building memories with friends and all the people that surrounded her.

Family was at the heart of Sandy's life. She cherished spending time with her daughter, Wendy House, and grandsons, Braden House and Taylor House, creating memories filled with love and laughter.

She is lovingly remembered by her mother, Lorraine Milner; her sister, Karen Sponsel (and husband Ty Sponsel Jr.); her daughter, Wendy House; and her two grandchildren, Braden and Taylor House. Her sister-in-law and best friend Brenda Milner.

She is preceded in death by her brother James Milner.

Sandy's life was a tapestry of love, creativity, and joy. As we remember her, let us carry forward the warmth she shared and celebrate the wonderful memories she leaves behind.

Kindest condolences to Sandy's family. Through PGM/Associa, she was Property Manager for the Fawndale Townhome Association for many years. She had a delightful combination of professionalism which guided us through legal and financial issues and wholesome kindness that soothed the many personalities involved. I am thankful for the Providence of God who placed her in my life.

Sandy Miller has been a dear friend for 18 wonderful years. We have shared a journey filled with work, laughter, and stories about our families. One of my favorite memories is during the holidays when she would surprise us at the office with the delicious goodies she and her mom made together. You could truly taste the love she poured into everything she did. Thank you, Sandy, for the beautiful memories both at work and during those happy hours we made time for. You will always hold a special place in my heart.

It's hard to put into words the loss of someone who has been a part of your life for so long. Ms. Sandy was more than just a co-worker—she was a kind soul, a steady presence, and someone I had the privilege of knowing for over a decade. I first knew her as my supervisor in the back room, and over the years, I watched her move into her own office, but no matter where she was, she was always someone you could talk to. We had so many little conversations—sometimes light, sometimes deep—but always meaningful. She had a way of making people feel heard and understood. More than anything, she cherished her family. Her daughter and grandkids were the light of her life, and she spoke of them with so much love and pride. That warmth, that care—it was just who she was. She will be deeply missed, but her kindness, wisdom, and the love she shared will live on in the hearts of those who knew her.

We met at work back in 2004, and from the very beginning, you were incredibly kind and helpful to me. You've always been a genuine and loving person. We shared so many fun times while working together, and you always kept the atmosphere light. Work was especially funny when a client upset you because you always had the most hilarious responses. Your voice was so high-pitched that when something bothered you, no one could take you seriously—yet, even when upset, you were always such a pleasant person to be around!! I'll miss our rare trips to Los Cucos for enchiladas and raising a glass with one of their fabulous frozen margaritas! You were a true friend, and I will miss you more than you know.
