# Angel Renee Bryant

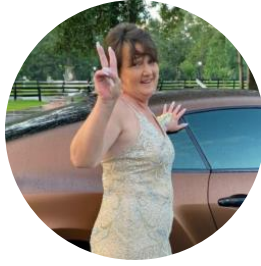

MAY 17, 1969 - DEC 15, 2025

**A**ngel Renee Bryant, age 56, of Houston, Texas, passed away peacefully on Monday morning.

Angel was a devoted bus driver and one of the strongest, most hardworking women you could ever meet. No matter how she was feeling, she showed up — determined to work, provide, and do what needed to be done. Her strength was unmatched, and her work ethic inspired everyone around her.

She was full of life and had a truly beautiful soul. Wherever Angel went, she brought kindness, love, and light, leaving a lasting impression on everyone she met. She had a way of making people feel seen, cared for, and welcomed.

Angel was a proud and loving mother to her three sons, who were the center of her world. Her love, strength, and spirit will live on through them and through all who were blessed to know her.

Angel Renee Bryant will be deeply missed and forever remembered for her compassion, resilience, and unwavering heart.
