“ Oh mom, such a sad day, I never thought that I would have to write you this, I would much rather tell you in person. The kids and I will miss you so much. I was looking through some pictures the other day, i can't thank you enough for the wonderful memories that you gave me and my boys. Dad always the first one to say, grandson's, I have grandson's, Michael and Phillip, they are my grandsons, we all would just smile cause Michael was white. Just the love you all gave us, I could never thank you enough for that.

I have always told Zalo how fortunate he was to have such a loving family. Then Phillip, I would pick him up and he is setting right beside you and you are feeding him and loving him unconditionally, I was the lucky one to have you and your family in my life. Then here came Betito and Becky boy wasn't they the pair. talk about double trouble, you always new when it was quiet, they was into something, Nestle Quik, I saw that picture of them in there Tele Tubbie costume, standing on your table, they always made you so happy even though they kept you busy. Then came Cati, gosh she was a bundle of joy, she loved horses and she was so head strung about it. Then came Jolette following in her big sister's footsteps, fighting with her everyday over every little thing. In there somewhere Maddison was born, and Jacob, Then came Jr. he was my bundle of joy, All this time has gone by and you was here for everything, the grandkids loved you very much as the rest of us do. I didn't get to see you much at the end but you knew I have always loved you like a mom and I forever will. I have cried and cried for the loss of you but at least you get to spend time with Leo, I know he has been waiting for you. Then Mr. Fito I know to your surprise, you couldn't believe he is there, breaks my heart to mom, but he is with you so you aren't alone, you will have no more pain, you can visit all the ones you missed when you didn't get to say good bye too. I love you MOM....Look for me when it's my turn.

We will have a lot to catch up on. God Bless You...
